Sponsorship Opportunities

The Sower Sponsorship:

This sponsorship level provides 50% funding for one Resident at the Zera House. If the original sponsored woman does not choose to complete her full recovery year, the sponsor will be notified of the change and will be assigned a new resident. As a resident graduates from our program, the sponsor will be notified and may choose to continue support of a new woman, have potential opportunities to extend support to the same woman as she enters the next phase of her journey, or may choose to discontinue support. Sower Sponsors will receive monthly updates on the sponsored resident.

TOTAL COST: A pledge of \$15,000 lump sum or \$1,250 per month.

The Harvester Sponsorship:

This option provides 100% funding for one resident at the Zera House for the length of her year program. If the original sponsored woman does not choose to complete her full recovery year, the sponsor will be notified of the change and will be assigned a new resident. As a resident graduates from our program, the sponsor will be notified and may choose to continue support of a new woman, have potential opportunities to extend support to the same woman as she enters the next phase of her journey, or may choose to discontinue support. Harvester Sponsors will receive monthly updates on the sponsored resident.

TOTAL COST: A pledge of \$28,800 lump sum or \$2,400 per month.
